From the desk of Prophetess Beverly Wooten and written by Prophetess Valerie Lewis

We can either create or destroy people with our tongues. In Proverbs 18:21 KJV Death and life are in the power of the tongue: and they that love it shall eat the fruit thereof. Consequently, our words open the doors for spiritual forces to take advantage of us. In other words, our words have power. The enemy knows how to take what we say and use it against us. Ephesians 2:2 KJV Wherein in times past ye walked according to the course of this world, according to the prince of the power of the air, the spirit that now worketh in the children of disobedience. As soon as you talk negatively the enemy snatches what you say. He uses the negative words you've spoken to create havoc in your life. Needless to say, our words carry weight. Therefore we must guard our mouths. Although, you might be thinking things. It doesn't necessarily mean you have to say what you're thinking. In addition, it's important to remember Proverbs 23:7 KJV For as he thinketh in his heart, so is he: Eat and drink, saith he to thee: but his heart is not with thee.

*Gossip is an evil thing that we do.
Unfortunately, Social Media has made
it easy for both Christians and
non-Christians to tell everyone's
business. Proverbs 11:13 A talebearer
revealeth secrets: but he that is of a
faithful spirit concealeth the matter.

Let's Celebrate Our September Birthdays

Last month our children went back to school. We'd like to pray Psalm 91 over all of the children throughout the United States. Psalm 91:11-12 KJV For he shall give his angels charge over thee, to keep thee in all thy ways. They shall bear thee up in their hands, lest thou dash thy foot against a stone.
