A word from our Pastor Beverly Wooten

On Sunday October 5th she talked about us operating now. In Isaiah 43:1 KJV But now thus saith the Lord that created thee, Jacob, and he that formed thee, O Israel, Fear not: for I have redeemed thee, I have called thee by thy name; thou art mine. Consequently, Israel had to overcome a lot of challenges. After they left Egypt they were pursued by Pharaoh and his army. Needless to say, they wanted to run back to Egypt. Exodus 14:11 KJV And they said unto Moses, because there were no graves in Egypt, hast thou taken us away to die in the wilderness? Wherefore hast thou dealt thus with us, to carry us forth out of Egypt. Going through the red sea was causing them to shift. In order for us to operate in the now we have to shift in the spirit. If we choose not to shift in the spirit we may miss out on the blessings God has for us. The children of Israel immediately started complaining when they looked at their circumstances. I Peter 5:8 -9 KJV Be sober, be vigilant; because your adversary the devil, as a roaring lion, walketh about, seeking whom he may devour: Whom resist steadfast in the faith, knowing that the same affliction are accomplished in your brethren in the world. Operating now is pushing past the labor pains. In other words, you can't have a baby without pushing. Moreover, you can't have what God has for you now if you refuse to go forward. We are in a new season. However, the

new season requires action. Sir Isaac Newton's third law of Motion is for every action there is an equal reaction. Since, we were all given a direct word of prophecy during the summit. It's up to us who received the word to push forward.

Recapping our Summit: The message was regarding a season of refreshing. Whenever you go to a spring of water you always come out refreshed. Prophetess Runnette Jones talked to us about Blessings overtaking us. Needless to say, blessings overtaking you is just like drinking a glass of sparkling water. As soon as the water hits your pallet you're refreshed. Her message came from Deuteronomy 28:1-6 KJV If we're blessed everything around us is blessed. However, the blessings can't chase us down if we don't hearken to the word of God. Consequently, the next night she spoke about us obeying God. Acts 3:19-21. KJV This scripture tells us that we need to repent. Isaiah 1:19 If ye be willing and obedient, ye shall eat the good of the land. We can't get the honey if we're disobedient. Moreover, she told us that we have to pull down ungodly altars. If you missed the summit please visit our facebook page.

We would like to Thank Prophetess Runnette Jones for speaking at the summit. We'd also like to thank all of our guests that came out to the summit.

On October 3, 1863 President Abraham Lincoln proclaimed a national day of Thanksgiving. As a result, we celebrate Thanksgiving on the 4th Thursday in November. Hence, we gather with friends and family to give thanks. 1 Thessalonians 5:18 KJV In everything give thanks: for this is the will of God in Christ Jesus concerning you.

We are currently studying Meeting the Spirit by Douglas Connelly

In our discussion we've talked about the Spirit of God speaking to us. This study helped us to understand how God speaks to us. Consequently, he speaks to us through the Bible. We've also discussed being renewed through the spirit of God, being empowered by the spirit of God, guided by his spirit, and liberated by his spirit. Please join us online every Wednesday for our interactive Bible Study. Our Bible study zoom code is 860 9098 1562 and the passcode is 438182

We are preparing for shortages. Although we don't want shortages to come we still need to be prepared. This is a list of cleaning substitutes that you

can use if you can't find certain items in the store.

1. *Hydrogen Peroxide*
2. *Dawn dishwashing liquid*
3. *Baking soda*
4. *Vinegar*
5. *Lemons or lemon juice*

You can use hydrogen peroxide with dawn to disinfect your counter tops. Consequently, this disinfectant can be used all over the house. If you have stone don't put this on your counter tops or inside the shower. Peroxide naturally whitens items. As a result, you can also use peroxide to wash your white clothes. Baking soda can be mixed with vinegar to clean your toilets. This needs to sit in the toilet for 30 minutes. You can use vinegar to clean your windows. If you don't have vinegar, mix lemon juice with water to clean your windows. Needless to say, vinegar is very strong. You can dilute it with water. In addition, you can mix vinegar with dawn to clean your shower glass doors.
